

OUR DIAMOND YEAR!

CELEBRATING 60 YEARS OF FRIENDSHIP & GIVING!

As I sit down to write my final letter as President, I can't help but smile (and feel just a little sentimental!). What a truly special year it has been.

From our fun gatherings and laughter-filled moments to the friendships and support that make this club so meaningful, it has been an absolute joy to share this time with all of you. You are what makes this group so unique, and I feel incredibly grateful to have served in this role.

Thank you for your support, your enthusiasm, and your willingness to jump in and make things happen. Whether you planned, attended, volunteered, or simply showed up with a kind word or a smile—you helped make this year a success.

I would also like to extend a heartfelt thank you to our Executive Board, as well as our Standing Committees and Activity Chairs. Your dedication, time, and behind-the-scenes efforts are what keep everything running so smoothly. This year's success is truly a reflection of your hard work and commitment, and I am so grateful to have worked alongside each of you.

I am so proud of all we've accomplished together, and I know this wonderful group will continue to grow, thrive, and create lasting memories in the year ahead.

On a personal note, serving as your President has meant more to me than I can fully express. I will always cherish this experience—and all the friendships that came with it.

Here's to another amazing year ahead!

Blessings,
Jackie

The Things We Cannot Say by Kelly Rimmer and gave it a glowing 5-star rating.

They also read *The Women* by Kristin Hannah, which earned another 5-star review—clearly a favorite this month!

Before We Were Innocent by Ella Berman and gave it a rating of 3 stars.

"Read Between the Wines"

Wild Dark Shore by Charlotte McConaghy and rated it 4 stars.
